~ A Spring Day in New York City ~

~ Saturday, May 2, 2020 ~

We will depart from Tesago Elementary School promptly at **6:00 AM** on a deluxe BROWN Motorcoach enroute to "The Big Apple".

Following a brief rest stop, we will travel into the heart of New York City and stop first for a morning **Stage Door Tour of Radio City Music Hall**. Here you will get an insider's view of one of America's premier entertainment venues, where the biggest names in show business perform. You will see where the "Rockettes" rehearse and have a chance to speak with a "Rockette". You will explore the beautiful art deco interiors and learn the secrets of the Great Stage where lavish theatrical productions, concerts, and awards shows are performed.

Following your tour, we will walk over to Times Square for a group lunch at **Buca di Beppo Times Square** where you will enjoy a wonderful complete lunch. A festive place for an Italian Meal Served Family Style: Salads, Bread, Pastas, Chicken Parmigiana, Dessert & Beverages.

Following lunch, we will walk over to **The New Amsterdam Theatre, Broadway & 42nd Street** for the **2:00 PM** performance of **Disney's "Aladdin"**. As the Genie says: "You Ain't Never Seen A Show Like This!" The beloved story of ALADDIN has been brought to thrilling theatrical life in this bold new musical comedy. With exhilarating choreography, show-stopping performances and astonishing visual effects, ALADDIN is as NBC-TV declares, "Exactly What You Wished For!" ~ Fabulous! Extravagant! Seriously, It's Amazing!

Following the show, we will board our coach for our return trip home. We will make a dinner stop at **Paramus Park Mall** where everyone can purchase his or her own dinner from the food court. We will plan to arrive back at school by **9:30 PM**.
